The Coalition for Economic Survival (CES) is a nonprofit tenants' rights organization. CES is not a government agency. CES is an organization of tenants and for tenants. We have been fighting to ensure tenants' rights and preserve affordable housing for over 35 years. We have been working with other Section 8 tenants in Los Angeles that faced similar threats from their owner's who are attempting to get out of the Section 8 program. There are a currently a number of pending law suits filed to protect Section 8 tenants. These law suits will have a direct impact on you, as well.
